YEAR 4: POP-UP BOOKS

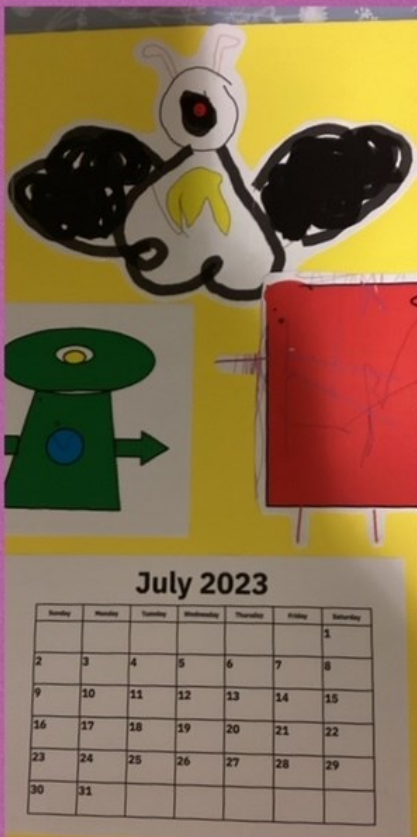

Children in Year 4 class were excited by the possibilities they saw as they learnt how to construct the mechanisms they needed to tell their particular story. They were able to choose their audience and the content of their book and produced some wonderful and colourful stories.

In Design and Technology this week year 3 have been designing, making and evaluating musical instruments while listening to Vivaldi's Four Seasons.

In DT, year one have been designing their own monster calendar. As a class we planned what we wanted our class calendar to look like and the children designed their own monsters using a computer software called Paint.
