

St. John Fisher Catholic Primary School

Growing through God, we learn, laugh and love.

EYFS COMPUTING CURRICULUM OVERVIEW 2022-2023

	Autumn	Spring	Summer
Reception	Digital Citizenship & Technology (DL & Esafety)	A is for Algorithm (CS) Art Attack (DL)	Digital Citizenship & Technology (DL)

Term	Activity Name	Target Skills & Summary	Computing Curriculum
Autumn	Little Computers	Activity explaining what a computer and its peripherals is. Children will make their own computer using junk and develop basic computer skills through playing a variety of games.	IT & DL
Spring	A is for Algorithm	This unplugged activity will demonstrate to children the importance of sequencing by breaking down popular stories into individual elements so children can see the importance of following a sequence. Children will gain an understanding of the term Algorithm.	CS
Summer	Art Attack	Children will experiment with different drawing apps and software across a range of devices whilst being introduced to different styles of digital art. This activity will show children how to find images using the web.	DL
