HALTON HEALTH IMPROVEMENT

Fit 4 Life Bite Size Sessions

Join us for our online parent/carer workshops:

- SLEEP & SCREENS**
Do your children sleep well at night? In this session we will explore how the length and quality of sleep can affect us and our children. Pick up new tips and ideas to promote good quality, restful sleep. We will also look at how screens affect our children, and share ideas for managing screen time better.
- FUSSY EATING & SNACKING**
Are your mealtimes stressful? It's easier said than done to get children to try new foods. In this session we will share tips and techniques to encourage your child to eat more variety. We will also talk through the signs to heed acceptance. We'll share healthy snack ideas as we look at alternatives to sugary snack favourites.
- PHYSICAL ACTIVITY & SUGAR**
Would you like to become active as a family? Children love to be active but as they grow, their attitudes towards physical activity may change. We have some great tips and information on overcoming barriers, how sugar affects our body and the effects of refined carbohydrates.

These workshops are for parents and carers. Choose from the following sessions:

For Your Information

Data Collection and Permission forms

Please ensure that you return these to school. Even if there are no changes to be made on the Data sheets can you please sign, date and return it.

Dolce—School Grid lunch accounts

Please ensure that your account is up to date if you are intending to order a hot lunch as the system will block the order if the account is in high arrears.

Leaflets from sports, dance and drama clubs

We are often asked to pass on leaflets from external clubs. We do this to help support the local community but they are not affiliated with or endorsed by the school.

It is lovely to see the children cycling to school but can we just remind everyone to dismount at the gate and walk their bikes down safely to avoid any accidents.

PARKING AROUND THE SCHOOL AT DROP OFF AND COLLECTION

Can we please ask that you do not park or manoeuvre outside the gates when dropping off/collecting. As you can appreciate the school is situated in a side road which makes parking difficult so we would ask that you park elsewhere rather than risk manoeuvring on Edward Street.

We understand that you are all busy and have places to go of a morning and evening but please lets not wait for a child to be hurt.

Please be courteous to our neighbours on Castle Street when parking.
