Newsletter 10th September 2021

Welcome back

It has been an absolute pleasure to welcome you all back into school. We are delighted with how happy the children have settled into their new classes—they all look so smart and we've seen lots of smiles already.

We hope to have your continued support and look forward to getting back to some sort of normality and being able to say goodbye to online learning once and for all!

We are looking forward to a happy and successful year ahead.

Welcome to our new Reception

The children have settled in very well and have had a busy but fun-filled week.

Snack Time

All children in KS1 will be receive a piece of fresh fruit, provided by the Free Fruit Scheme.

Children in KS2 are able to bring in their own healthy snack.

Most Fridays the school council will sell toast for KS2. If you wish your child to have some please send them into school with no more than 50p. Thank you.

Snacks

Reception Class provide their own snack and we ask for a donation of £1 per week or £7 per half term.

Dinner Time

School meals are provided in school by Dolce catering. You can pre order and pay for your child's meals online using the school grid.

If you prefer your child to have a packed lunch please could we ask that you avoid adding chocolate, sweets and fizzy drinks.

Parental request for medication to be administered

Should your child need to take medication whilst at school please remember that a form must be completed. These forms can be obtained from the school office. Please note that we can only administer medicine that has been prescribed by a Doctor.

For children who use inhalers or other regular medication a **new** Form must be completed for each new school year.

Please ensure that all inhalers have been checked and are in date.

Can we remind parents that if your child is sick please remember to phone school as early as possible to advise us of the absence. If you do not phone school this initiates concerns over the whereabouts and safety of your child and you will receive a call from the school.

Should your child be absent for more than 2 days medical evidence may be required from your GP.
