SENSATIONAL SCIENCE

For the past two weeks in school most of the children have been focusing on the subject of Science. This has involved working outdoors as well as in the classrooms learning about the different elements of science such as electricity, forces, the digestive system and skeletal system.

Coffee Morning

On Friday, 24th September we will be holding a coffee morning in the school hall, please come along and support the worthy cause.

You can also support this cause by donating cakes, either bought or home baked, as we hope to have a cake sale for the children at break time.

Any donations can be brought to the school office on Thursday or Friday morning.

Harvest Time

It is that time of year again, we have been asked to support Widnes Foodbank. Donations will be greatly received and can be brought into school the week of October 27th.

On Friday, 1st October we will be having our Harvest Assembly and the parents of our Reception children are warmly invited to attend at 9am (after drop-off) in the school hall.

World Mental Health Day

On Friday, 15th October we will be having a Rainbow Clothes Day to help shine a light on Mental Health and that *'it's ok not to be ok'*

In doing this we will be supporting the local children's and young people's ward NHS Charity at Warrington Hospital.

On that day children are invited to come to school wearing bright rainbow coloured clothes with an optional donation of £1

All money raised will support our local children's ward teams to go above and beyond what would otherwise be possible.

Parental request for medication to be administered

Should your child need to take medication whilst at school please remember that a form must be completed. These forms can be obtained from the school office. Please note that we can only administer medicine that has been prescribed by a Doctor.

For children who use inhalers or other regular medication a **new** Form must be completed for each new school year.

Please ensure that all inhalers have been checked and are in date.

The 48 hour rule

If your child has vomiting and/or diarrhoea they must remain at home until **they have been free of symptoms for 48 hours.**

Can we remind parents that if your child is sick please remember to phone school as early as possible to advise us of the absence. If you do not phone school this initiates concerns over the whereabouts and safety of your child and you will receive a call from the school.

Should your child be absent for more than 2 days medical evidence may be required from your GP.
