Transition to High School Talking Teens Programme

What is Talking Teens?

Teenagers are rewarding, stimulating and fun, but being a parent of one can be stressful and challenging.

The Talking Teens Parent Group helps deal with those challenges so you can have a calmer, happier family life.

A tried and tested Programme, it helps us think about what we do, why we do it and how it makes us feel and looks at questions that many parents have, like:

- How can I stop my child always getting the last word?
- Why do they always sleep in so late?
- Can I do anything to help them argue less?
- What's normal?
- Why don't they want to tell me how they're feeling?

Inside every teenager is a child and an adult

The Four Sessions

- 1- Being a parent of a teenager; The role of parents for teenagers; Responding to difficult feelings
- 2- Understanding your teenager; Understanding teenage development; Parenting styles; Praise and criticism
- 3- Communicating with your teenager; Talking and listening; Communicating clearly; Handling difficult issues
- 4- Managing conflict; Rules and boundaries; Choosing how to respond; Problem solving

Practical information

There are four 2-hour sessions over four weeks

10-20 parents are invited and there are two Family Links trained group leaders

Partners are welcome and it's also fine to come on your own or with another relative or friend

You'll get the most out of the programme if you come to all four sessions.

It's not what you say; it's what they hear

PARKING AROUND THE SCHOOL AT DROP OFF AND COLLECTION

Can we please ask that you do not park or manoeuvre outside the gates when dropping off/collecting. As you can appreciate the school is situated in a side road which makes parking difficult so we would ask that you park elsewhere rather than risk manoeuvring on Edward Street.

We understand that you are all busy and have places to go of a morning and evening but please lets not wait for a child to be hurt.

Please be courteous to our neighbours on Castle Street when parking.
