World Porridge Day

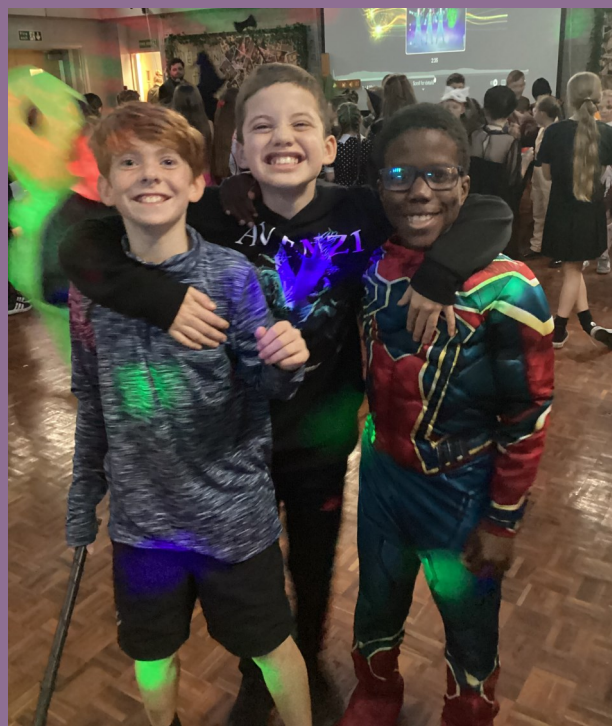

As part of our pledge to support Mary's Meals we had a spooky breakfast and raised £88.70.

**YEAR 4 SPOOKY
BREAKFAST FOR MARY'S
MEALS**

We ended our first half term with some spooky disco fun. We raised over £300 for the PTA fund.

SCIENCE

Mad Science came into school this week for an assembly, funded by United Utilities, to teach the children about H₂O.

Health and Wellbeing Coffee Morning

On Friday 8th November we will be hosting a Health and Wellbeing coffee morning and we would like to invite all parents and carers to come along.

It will be an opportunity to have a drink and a chat with a few different services available to families in Halton, including;

- Mental Health Schools Team
- Early Help Team
- School Nurse

If you shop at Asda and use their rewards app—please sign up to this scheme as the school gets money from Asda at no cost to you. We currently have £274 in our cash pot.

ALLERGIES

Our kitchen is nut free—we would ask that you do not send products containing nuts in to school in lunch boxes or snacks. Thank you for the support with this as it will limit the risk for our children with nut allergies.

We now have a school Instagram account— if you have said no to Twitter (X) on the permission form then we will not show pictures of your child on our Instagram. If you have agreed to Twitter (X) but do not want them on Instagram please let the Office know.

PARKING AROUND THE SCHOOL AT DROP OFF AND COLLECTION

Can we please ask that you do not park or manoeuvre outside the gates when dropping off/collecting. As you can appreciate the school is situated in a side road which makes parking difficult so we would ask that you park elsewhere rather than risk manoeuvring on Edward Street.

We understand that you are all busy and have places to go of a morning and evening but please lets not wait for a child to be hurt.
