SENT ON BEHALF OF HALTON BOROUGH COUNCIL, HALTON SEND PARENT CARER FORUM AND CHESHIRE AND NHS MERSEYSIDE INTEGRATED CARE BOARD (ICB)

Halton Borough Council, Halton SEND Parent Carer Forum and NHS Cheshire and Merseyside Integrated Care Board are seeking the views of children, young people and their families on their experience of Halton SEND services across Education, Health and Social Care. This is an ideal opportunity for children, young people and their families to provide feedback on the services they have received. This information will ensure that all partners working together across the local area can utilise this feedback for the improvements being introduced and developed for SEND services in Halton.

There are two surveys to complete one for children and young people and another for parents and carers. Both surveys should take no longer than ten minutes to complete.

The closing date for the surveys is **Sunday 12 January 2025**.

Please promote these surveys through your organisation and networks, and as widely as possible with the children, young people and families that you work with who access SEND services in Halton.

The views of children, young people and their families who access SEND services are very important to us, so please promote the surveys and encourage children, young people and their families to take the time to complete the survey and share their views.

SCHOOL GATES

The school gates open at set times. Please do not follow other people in to the school grounds if the gates are opened when someone buzzes to come in early.

Please do not try to force the gates open if they are shutting as the mechanism is getting damaged. It is becoming very costly to get them repaired on such a regular basis.

ALLERGIES

Our kitchen is nut free—we would ask that you do not send products containing nuts in to school in lunch boxes or snacks. Thank you for the support with this as it will limit the risk for our children with nut allergies.

PARKING AROUND THE SCHOOL AT DROP OFF AND COLLECTION

Can we please ask that you do not park or manoeuvre outside the gates when dropping off/collecting. As you can appreciate the school is situated in a side road which makes parking difficult so we would ask that you park elsewhere rather than risk manoeuvring on Edward Street.

We understand that you are all busy and have places to go of a morning and evening but please lets not wait for a child to be hurt.
