Christmas Assemblies

We have carefully planned our Christmas events for the children by following Public Health advice.

We are planning on going ahead with the events unless we experience an outbreak of Covid-19 or we receive further advice from Public Health.

There will be letters sent home with the children detailing the arrangements and explaining the precautions we are taking to keep everyone safe. Please complete the reply slips and return them to school as soon as possible.

This week, we have been learning about Italy. we started the topic by enjoying some delicious pizza then we created our own maps to show the physical and human features of Italy.
