Climate change

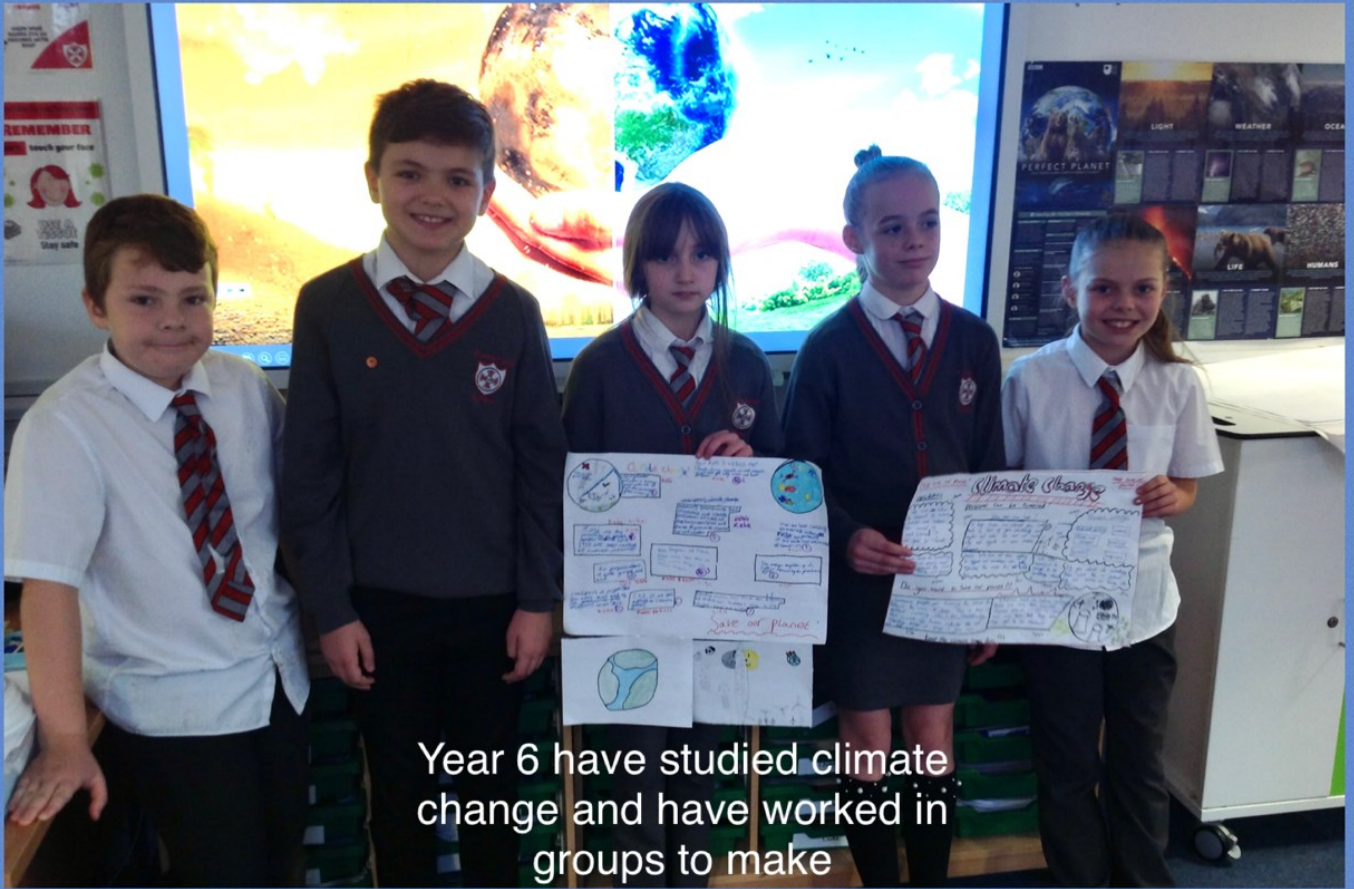

Did you know.....

There is more carbon dioxide in the earth's atmosphere now than for the last 800,000 years!

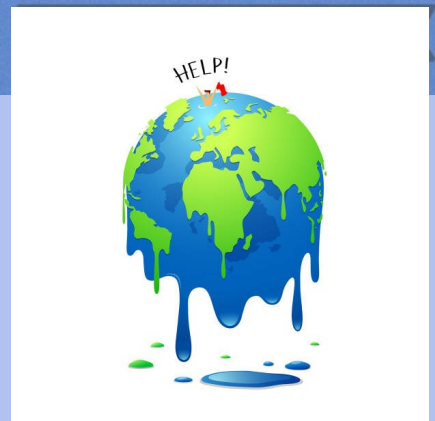

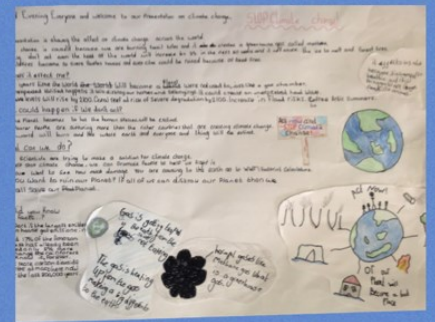

Transport is the biggest culprit of green house gas emissions in the UK!

More Year 6

Year 6 have studied climate change and have worked in groups to make presentations to the class.

Climate Change.....

How does it affect me?

What could happen if we don't act?

What can we do?

REVERSE ADVENT CALENDAR

COUNTDOWN TO CHRISTMAS AT ST. JOHN FISHER

REVERSE ADVENT CALENDAR

Each day add an item to the box and then donate to a food bank or a family in need.

Advent began on Sunday and with it opened our annual 'Countdown to Christmas' in school. Advent is a time to prepare our hearts to welcome Jesus, it's a time, whoever we are and whatever our background, to think of others and a time to be light shining in the darkness.

Our first way to think of others is by supporting our local food bank with our reverse Advent Calendar.

Each class will have a box/basket to fill with every child donating where they can. Class lists will display which day your child is to donate if you are in a position to do so.

Class lists can be found in classroom window/class page on website.

On the first Sunday in Advent the "Hope" candle is lit
