

Outdoor Activities to do in your Garden

Try some of these activities at home in your garden. Have fun and stay safe.

Make an animal shelter using things you find in your garden.	Find 10 different leaves in your garden.	What different 2d shapes can you make out of sticks in your garden?
What different 3d shapes can you make out of sticks in your garden?	Make a square out of sticks. Inside the square make a picture using natural resources?	Take some of your small toy people outside. Can you make them a town from them to live in using natural resources?
Find 10 different flowers in your garden.	If you have a tree close by your house. Hold the paper on the tree trunk. Rub different colours on the paper. What happens?	Find some different leaves outside. Stick the leaves to some paper. What different shapes and patterns can you make?
Can you make a log dog? Try tying string onto a stick. Then give the stick two eyes, a nose and mouth. You can even paint the stick dog. Don't forget to name the dog.	Can you make a mud cake outside? Can you use leaves, and grass to decorate your cake?	Can you draw a map of your garden? Or make a model of your garden outside using anything you can find. Please check with a grown up before you use anything.
Have you got any paint brushes at home? Take them outside with some water and try water painting. How long does it take for the water to dry?	Can you make an obstacle course outside? Use any thing you can find. Please check with someone at home before you do this.	Balance stones Go outside and find as many stones as you can. Can you balance the stones on top of one another to make a big tower?
Can you make a den outside? Ask an adult at home to help you.	Can you make a raft out of sticks and string at home? Does it float?	Go outside in your garden. What different sounds can you hear?
