Our Future Engineers

The reception children were asked to think about and make different forms of transport. These children made a lorry, a train and a motorbike. Super imaginations!

CRICKET

Year 4 and 6 children had a fantastic day on Tuesday at a Diamond Cricket event. The children played extremely well, did our school proud and both the year 4 and 6 team never lost a match. Well done to all!

This week, year 4 have been learning about each stage of the Water Cycle. They have created amazing posters explaining the process.

Planting time

Year 2 have been planting seeds this week and they have planted them in different conditions to discover what plants need to grow successfully.

The question they had to think about was 'I wonder how this will effect how they grow?'

SPOTTING ADS ON SOCIAL MEDIA

Do you always know when you're seeing an ad on your social media feed? You might not! Some ads look just like any other post - they might be funny or cool, but really they're trying to sell you something without you realising. But here are some ideas for spotting ads like a pro!

Look closely at the profile picture

Pay attention to the account name

Check if it says "sponsored" f @ or "promoted" t

A 'verified' tick can still mean it's an ad

Study the hashtags for clues about the post's purpose

Be savvy with high numbers of likes and shares

A MUSICAL EXTRAVAGANZA

Starring

The Harts and Voices Choir

St John Fisher Children's Choir

Warrington Concert Band

Thursday 19th May

7pm

The Foundry, Widnes

**Tickets £8 via www.hartsandvoices.com
Or Email hartsandvoices@hotmail.com**

Join us for a night of Music Magic.

The school choir is taking part in this concert, it will be an exciting experience for them as they will be performing alongside two other local, talented groups—the Harts and Voices Choir and Warrington Concert Band.

The programme will include a variety of well known music.

My aim in organising this concert is to give the children an experience they will never forget, performing to a live audience, on a large stage with other talented musicians in a lovely venue. In addition, money raised from the concert will help to buy much needed sound and lightning equipment for the school hall for future productions. It has become customary for us to put on a 'good show' at the end of the year which is enhanced by good sound and lightning equipment. These items are expensive and a luxury that is beyond the school budget.

Please come and support us in this event, hopefully it will be a night to remember!

GENTLE REMINDER

Can we please ask all drivers to be more vigilant around the school area. There is an increasing number of drivers that are driving up to the gate to drop children off and reversing in a small space. This is very dangerous and we have had two close calls.
