Year 6

Well done to all of those who completed the last experiment. Here is our next Marvin and Milo science activity!
 Please complete and send a photograph to stephanie.tollitt@st-johnfisher.halton.sch.uk by Thursday 16th June and you will receive a certificate.

DO TRY THIS AT HOME

Issue #30

Featuring: Marvin and Milo

I can join these two books together so well that you won't be able to pull them apart - and I won't use glue or staples or sticky tape.

My books are about the same size and have about the same number of pages.

What you need: • Two very similar sized books with at least 100 pages each

Carefully and evenly, interweave the pages of the books so that they overlap to about the middle of the page.

Hold the books by the spines and pull! The books don't separate, no matter how hard you pull, because of the friction between the pages.

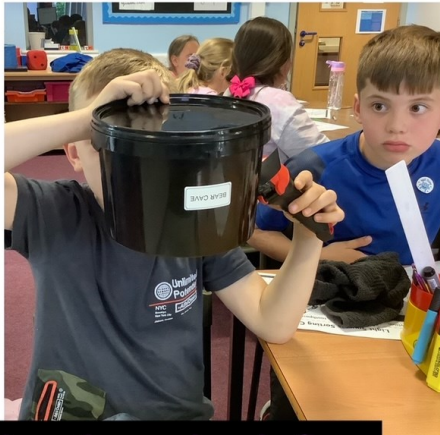

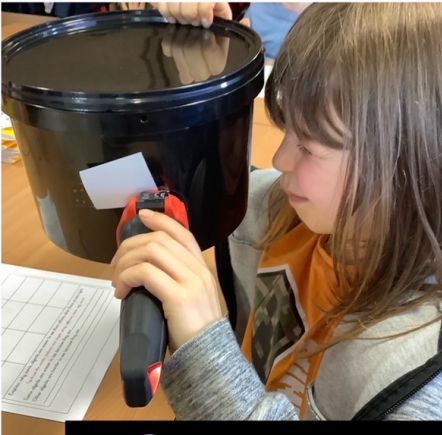

Friction is the force that acts against the motion of two surfaces in contact. The friction between just two pages is tiny but with lots of pages in the books, the force becomes very noticeable!

Well done to Oscar McGarry in year 6 who has been growing his hair for sometime now, he has had it cut and donated his hair to the 'Little Princess Trust' - a charity that makes wigs for children who have lost their own hair due to cancer.

Year 3

Can we see in the dark?

In their science lessons year 3 have been investigating light and how they need it to be able to see.

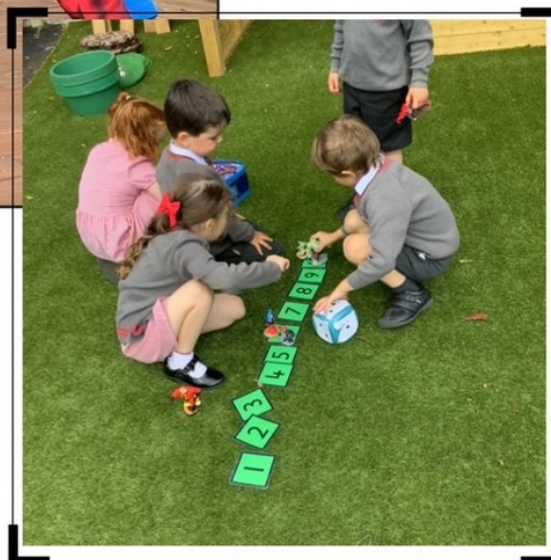

They also went on a walk in the local area and learned about road safety.

PIC·COLLAGE

SUPERHEROES

The reception class have been super heroes this week and have used dice and their super heroes to move up and down the number line. They have also defrosted some of their frozen super heroes using different liquids to see which one works the best.

The summer fair will follow sports day and start at 2.30pm on 1st July.

We have to rely on your generosity to make a success of the summer fair which is a good way to raise extra funds to benefit the children.

The week beginning the 27th June we ask the children to bring in donations that we can use in the fair. KS1 children are asked to bring in cakes, chocolates, biscuits etc
KS2 children are asked to bring in unwanted gifts such as toiletries or cosmetics.

We thank you for your generosity and support.

CHOIR REHEARSALS

Choir will be on Thursday after school next week and until the end of term. This change is because some of the year 4 and 5 are committed to something else on Wednesday evenings. Sorry for any inconvenience.
