

St John Fisher Catholic Primary School
“Growing through God, we learn, laugh and love”
Newsletter 9th September 2022

Welcome back to all our children and their families, especially to our new reception children. They have all settled in well and had great fun playing, learning, and getting to know each other.

This week, Year 1 have been exploring their body and naming body parts. They sorted words into body parts and non body parts and have drawn around each other labelling their body parts.

The children have started the term with a focus on science

Year 1 has been learning about the parts of the body and their correct names.

Year 3 has been studying the bones of the human skeleton.

Year
3

Year 5 have been also been doing science, they have been using force meters to take precise measurements and they have been learning about gravity. They have also been testing friction on different surfaces.

Harvest Festival
Parents Evening
Inset Day

We are all saddened to hear of the death of HRH Queen Elizabeth II. We recognise her immense contribution to our country over the last 70 years and send our deepest condolences to everyone who is mourning during this sombre and historic time.

Each class has made a special prayer card that they have taken home to share with their families.
